If the ball misses, the driver guides the tank to the ball again. 17 > Next Download directions worksheets and use them in class today. Afterwards, students compare their maps to see if they have marked the locations correctly. Prev < 1 2 3 ... Here is a free giving directions game to play with elementary students. Here is an entertaining directions game to help students practice giving directions. Free Giving Directions English ESL Printable Vocabulary Worksheets and Exercises, Giving Directions Picture Dictionaries, Crossword Puzzles and Word Search Worksheets, Missing Letters in Words and Unscramble the Words Exercises, Giving Directions Multiple Choice Tests, Vocabulary Learning Cards, Flashcards, Matching Exercises, Games, Posters For Kids and Teacher. When a team wins, the game is repeated with the next four students and so on. Once a maze has been created, the game begins with teams taking it in turns to play. Then, a new player from each team puts on a mask and so on. When the student has been directed to each place, they mark the location on their map, and ask for directions to the next place from there. In this creative giving directions activity, students draw pictures that match a set of directions and create directions for a classmate to draw. The driver then guides the tank to fire on the other tank, e.g. aim higher, to the left, etc. These directions worksheets are great for kids and beginner ESL students to learn about giving directions in English. To start, teams decide which side they want to play for, i.e. the Dark Side or Jedi. The first team puts a blindfold on their player outside of the classroom and then brings them to the entrance of the maze. Page Loading. You can find more information and change your preferences herePage 2 The page you were looking for is no longer available. A player Each team leaves the classroom while a maze is being created. One player from each team, then puts in an appropriate mother or sale and is given a saber of inflatable light or similar object. In each team, one player is the 'tank' and the other is the 'driver'. Reorganize the tables to resemble a maze with an entrance and an output. When all ten places were marked on the map, the two students exchange paps. FREE ESL Printed vocabulary spreadsheets, eal exercises, questions, efforts, esol quizzes, tests, telf activities, English teaching and learning resources, ELT materials, image dictionary, posters and puzzles for children on Give directions asking and giving directions to worksheet to children's fun sheet of ESL exercises for children with a city map to study and practice. First, the students widely directed in the spreadsheet and draw an image for each. When a tank hits a ball, the student takes the ball and has municipalities to fire. Please wait. In this imaginative activity giving directions, students draw a map of a city and then ask and give direction to places on the map. Read the directions follow the routes on the city map. So write the names of places in blank spaces. The goal of the game is that teams direct their player through the maze in the shortest possible time.
